

RIVERBAY Happenings #55

Just letting you know about things going on in Riverbay - published *whenever* by Riverbay Association

Hello to all Riverbay Friends and Neighbors,

July-August, 2025

Member Appreciation

First, I want to give a big "THANK YOU" to the 260 members of Riverbay Association. Your continued support is what keeps this almost-60-year-old Association alive and serving our beautiful neighborhood.

Riverbay Association cannot exist to serve our neighborhood without a substantial number of residents participating. As a gentle reminder, there are still 24 homeowners who were members in 2024, but not this year. If you are one, we ask you to please join. We need your support.

Keep Riverbay Beautiful

The Association appreciates the care our members take to beautify their property. Respondents to a survey earlier this year noted both the natural beauty of Riverbay as well as the well-maintained homes. Traveling through the neighborhood offers numerous well-tended garden landscapes. Walkers and bikers are grateful to all of our members who care for and manage the ever-encroaching roadside foliage.

There are many places, however, where vegetation makes it dangerous for vehicular traffic and challenging for pedestrians – especially to walk when two cars are present. This is particularly important at our many road corners. Chatham safety code requires a clear sightline for the area 25 feet in each direction from the corner. The Association encourages all members to maintain their roadside space by trimming or cutting back to expose the full road. For larger areas of concern, the Chatham Department of Public Works can be available to assist. If any member would like to involve the DPW, please email me.

RIVERBAY/ONLINE Message Board

Members have expressed an interest in using the RIVERBAY/ONLINE Message Board to contact and share information with other Riverbay members. Such information includes contactor referrals, home rentals, lost and found articles, items for sale or wanted, and general Riverbay information of interest to other members. Messages entered by any member would be sent to all members, however any member would be able to disable receiving messages from the Message Board should they so choose. Full details about this new Message Board capability will be sent to all members soon.

UPCOMING RIVERBAY EVENTS

Saturday August 23
